Kathleen Sederquist, M.Ed.

**Artist and Educator**

Kathleen carefully organizes and prepares quality materials for each art lesson. The spontaneous flow of creative energy is encouraged. Children feel confident, focused and playful. Making art in a small group is social and fun. Learning naturally happens on many very important levels.

She received a BFA in Art Education and Sculpture from University CA, Northridge. Kathleen lived and taught English in Taipei, Taiwan. She studied Asian Painting and Chinese. Kathleen has a Masters degree in Education/Arts Curriculum from Lesley College, Cambridge, Mass. She was awarded **The Nevada Governor's Millennium Award for Art and Education.**

Kathleen is a former Arts-in-Education Coordinator and artist-in-residence for Sierra Arts Foundation. She is currently on the teaching staff at the **Nevada Museum of Art.** Kathy continues to facilitate classes for teacher re-certification. She is a member of a professional and exhibiting artist group in Reno. Kathleen teaches children and adults in her Reno Fleur De Lis Studio.

Registration is required for the Fine Arts Program. Parents may pay by check in the provided Art envelope outside the office. Make checks payable to Kathleen Sederquist. Please **write your child's name and school on each check.** Each lesson is \$20/25. Please pay on the first Tuesday of each month for the number of classes held that month. Note: Art camps are offered at Kathleen's Fleur De Lis Studio during school breaks.
